

FUTURITY SPONSORSHIP CONTRIBUTION FORM

A great way to promote your business is to support the Northwest Missouri Stallion Owners Futurity. The Northwest Missouri Stallion Owners Futurity (NWMSOF) was established in 1992 by a handful of Quarter and Paint horse owners to further the public awareness of the stock horse and to offer the members and the public the opportunity to exhibit the stock horse. Since its formation, the list of stallions and members has continued to grow. Stallion owners donate a breeding of their stallion to the NWMSOF to be auctioned off. Offspring of the stallion are then eligible to compete in the annual futurity show. The futurity show also includes select open classes as well. The 2022 Futurity show will take place on October 29th, 2022 at the Missouri State Fairgrounds in Sedalia, MO.

Advertising with the NWMSOF will help promote your business but also fund awards to members who work hard and win awards at the show. Your advertisement will reach all NWMSOF members and their families, our website and Facebook visitors, and any spectators on show day. Between classes or on the specific class you sponsor, your sponsorship will be announced to everyone present.

We are offering three different types of sponsorships depending on your preference. The three types are listed below. Please select which one you prefer and if you don't see one that fits your marketing ideas, please feel free to email us to customize an ad that works for you.

Company Name _____ Date: _____
